Here is the Zoom Invitation for June 9th, 2020

Please be sure to read the following instructions carefully prior the event commences.

- Although our meeting platform is Zoom it will function on most internet browsers, however, we strongly recommend you download the application onto the device you will be using to access the conference.

- Although Zoom works on all devices, we recommend you join the meeting via a desktop or laptop computers with good audio/ video equipment (microphone, speakers, camera). Accessing the conference via phone or tablet apps may reduce available functionalities and features.

- It is highly recommended you join the conference at a location that has a reasonably stable and strong internet connection. This will ensure the stream is not interrupted and maintains clarity in voice and picture.

- Please wait in the waiting room until permission is granted to enter. District Governors and other RI Officials will be granted immediate entrance. Log in at least 10 minutes prior to the starting time. This will provide you with ample time to correct any issues you may have with your internet connection and/or audio/visual settings.

- Upon joining the meeting, please immediately rename your profile to state your Rotarian title, your first and last names, and you district number. Microphones will remain muted at all times and can only be enabled by the meeting administrator only.  If you would like to engage in a discussion and/or submit a question to President Mark one or more of the District Governors, please use the application's **"raise hand"** function. The administrator will enable microphones in the order hands are raised. Alternatively, you may also type your question(s) to the administrator via a private chat.

- If you choose to ask your questions via microphone, please do so as briefly and swiftly as possible to ensure the time available suffices to serve all attendees who wish to inquire about the topic at hand.

- **Please do not use the public chat function unless absolutely necessary as the chat board is reserved for important announcements only and should therefore remain clutter-free**.

- Please ensure the lightening of the room you will be sitting in while you join us is adequate and sufficient for your fellow Rotarians to see you clearly.

- In case you choose to use a virtual background, please test the image or video of your choice adequately to ensure it is clear and not distorted.

- A presentable and professional appearance is a hallmark trait of Rotarians. We therefore kindly ask our attendees to join the Zoom meeting in the same fashion as they would when attending a physical conference or meeting. Moreover, please wear your Rotarian badges of choice with pride and joy.

DG Bob is inviting you to a scheduled Zoom meeting.
