

BE A PART OF HISTORIC CHANGE

- 95% of all Human Trafficking in Canada is Canadian people trafficking Canadian people.
- The average age of the average victim is between 12 and 14 years.
- The average money a victim brings to his/her trafficker is roughly \$250,000 per annum.

THIS MUST STOP!!

The answer is simple: it's up to us, Canadian Rotarians, to get the global ball rolling. If not Rotary- than who?! If not now- than when?!

The Canada Declaration Coalition, made up of global change makers, has helped to affect positive change here at home and beyond. Together with YOU... we are setting the stage for so much more!!

Rotarians from across our nation, are collectively creating a blueprint as we show the rest of the world, what working together truly means.

We are not asking for money or volunteer hours.

We want **all 700+ clubs across Canada**, and all 27,000+ members as possible to:

1. Sign the Canada Declaration
2. Agree to post and share the Media Kit to raise awareness
3. Listen to Drew Kessler's Video Message (International Rotary Director Zone 28 & 32)

YES that really is all we're asking and YES it really is that simple.

Please agree to be a part of this historic world wide initiative that begins here in Canada - with you!
