

Environment Pledge

Rotary District 7080 shares an interest in protecting our common legacy: the environment.

We invite our members to support activities that strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment.

The protection of the environment is a shared responsibility for the continuation of life on earth. Everyone has the right to a healthy and safe environment that will ensure their physical and mental well-being. To that end, we encourage members of District 7080 to take immediate action to protect the planet.
